<a href="#">Quality Assurance Agency Framework for Higher Education Qualifications (FHEQ) Level</a>	<i>Level 4, 5, 6</i>

This course specification provides a summary of the main features of the course, identifies the aims and learning outcomes of the course, the teaching, learning and assessment methods used by teaching staff, and the reference points used to inform the curriculum.

This information is therefore useful to potential students to help them choose the right course of study, to current students on the course and to staff teaching and administering the course.

Further detailed information on the individual modules within the course may be found in the relevant module descriptors and the Course Handbook provided to students on enrolment.

Please refer to the [Module Web Search](#) for further information on the course structure and modules.

## Educational aims of the course

- Explore the key skills and knowledge required for working with young children and families
- Understand key aspects of this applied social science
- Apply appropriate techniques of analysis to the subject area
- Research topics and devise and sustain arguments related to the subject area
- Discuss current research and scholarship related to the subject area
- Discuss current limits of knowledge in the subject area
- Communicate information in a manner appropriate to the subject and intended audience
- Complete an extended piece of independent enquiry in the subject area
- Take responsibility for their own learning in a single honours degree programme
- Show initiative and be able to make and justify decisions
- Interrogate a variety of learning media to develop knowledge
- Be self-reflective

## Course Learning Outcomes and Learning, Teaching and Assessment Strategies

The [Quality Assurance Agency for Higher Education \(QAA\)](#) sets out a national framework of qualification levels, and the associated standards of achievement are found in their [Framework for Higher Education Qualifications](#) document.

The Course Learning Outcomes for this course are outlined in the tables below.

### A. Knowledge and understanding of:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
A1	A range of classical contemporary educational, psychological and sociological theories and concepts related to children and early childhood, including international contexts.	Lectures, seminars, group work, work placements, simulations	Essays, Group presentations, Online test, Article Review, Reflective commentary, Poster, Report
A2	Societal structures relating to the nature of the relationship between individuals, families and community	Lectures, seminars, work placements, group work, simulations	Essays, Group presentations, Online test, Article Review, Reflective commentary, Poster
A3	Interdisciplinary approach to working with children and families within the context of main institutions of the UK welfare and education system including early years' settings.	Lectures, seminars, group work, work placements, simulations	Essays, Group presentations, Online test, Article Review, Reflective commentary, Report
A4	Key legislation and social policy including that relating to education and its historical and contemporary impact on the young child.	Lectures, seminars, group work	Essays, Group presentations, Online, Article Review, Report

A5	The strengths and weaknesses of the range of research methods required for study and research relative to children and childhood	Lectures, seminars, group work	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal, Dissertation
----	----------------------------------------------------------------------------------------------------------------------------------	--------------------------------	-------------------------------------------------------------------------------------------------------------

**B. Cognitive (Intellectual or Thinking) skills, able to:**

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
B1	Appreciate the complexity and diversity of social situations	Lectures, seminars, group work, simulations	Essays, Group presentations, Article Review, Reflective commentary, Report
B2	Gather, retrieve, analyse and synthesise information in order to make reasoned arguments	Lectures, seminars, group work	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
B3	Understand the significance and limitations of theory and research	Lectures, seminars, group work	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
B4	Reflect on own value system	Lectures, seminars, group work, simulations	Essays, Group presentations, Article Review, Reflective commentary, Research Proposal and Dissertation
B5	Accommodate new principles and understanding through critical thinking	Lectures, seminars, work placements, group work, simulations	Essays, Group presentations, Article Review, Reflective commentary, Report, Research

			Proposal and Dissertation
--	--	--	---------------------------

**C. Practical (Professional or Subject) skills, able to:**

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
C1	Contribute to and work within an inclusive environment that respects the values and interests of others whilst studying and working with children and their families	Lectures, seminars, group work, simulations, work placements	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
C2	Analyse and interpret a range of theories and research in the area of early child development	Lectures, seminars, group work	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
C3	Construct an effective social research proposal(s)	Lectures, seminars, group work	Research Proposal and Dissertation
C4	Plan for, assess and evaluate children's learning opportunities in the context of the EYFS	Lectures, seminars, work placement, group work, simulations	Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
C5	Understand the need to work collaboratively and ethically to meet the needs of children and families, promote the health, welfare and safety of young children and be able to identify strategies to manage this effectively	Lectures, seminars, group work, work placements, simulations	Group presentations, Reflective commentary, Report, Essays, Article Review, Research Proposal and Dissertation

**D. Transferrable (Graduate and Employability) skills, able to:**

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
D1	Interpret a range of primary and secondary sources of data including numerical sources	Lectures, seminars, group	Essays, Group presentations,

		work	Article Review, Reflective commentary, Report, Research Proposal and Dissertation
D2	Communicate and present in a variety of contexts and modes including the appropriate use of ICT	Lectures, seminars, group work, work placements, simulations	Essays, Group presentations, Article Review, Reflective commentary, Report, Research Proposal and Dissertation
D3	Work as a member of a team and demonstrate self reflective skills to consider the effectiveness of the team.	Lectures, seminars, group work, work placements, simulations	Essays, Group presentations, Article Review, Reflective commentary, Website, Report,
D4	Undertake independent study, demonstrate skills of time planning and management and take responsibility for own critical review using self-reflection as tool for future learning.	Lectures, seminars, group work, work placements, simulations	Essays, Group presentations, On-line test, Article Review, Reflective commentary, Website, Report, Research Proposal and Dissertation
D5	Use critical thinking to present a range of theoretical positions and a well-informed opinion in order to engage with problem solving activities	Lectures, seminars, group work, simulations	Essays, Group presentations, Article Review, Reflective commentary, Website, Report, Research Proposal and Dissertation

## Academic Regulations

The current University of Portsmouth [Academic Regulations](#) will apply to this course.

## Support for Student Learning

The University of Portsmouth provides a comprehensive range of support services for students throughout their course, details of which are available at the [MyPort](#) student portal.

In addition to these University support services this course also provides;

- A personal tutor for each student throughout their studies;
- A Wellbeing and Diversity Co-ordinator;
- Learning Development Tutors;
- Buddy Mentors for first year students;
- Practice supervisors within the work placement
- A dissertation supervisor in their third year

## Evaluation and Enhancement of Standards and Quality in Learning and Teaching

The University of Portsmouth undertakes comprehensive monitoring, review and evaluation of courses within clearly assigned staff responsibilities. Student feedback is a key feature in these evaluations, as represented in our [Policy for Listening to and Responding to the Student Voice](#) where you can also find further information.

## Reference Points

The course and outcomes have been developed taking account of:

*Insert additional reference points or delete as required*

- Vocational and professional experience, scholarship and research expertise of the University of Portsmouth's academic members of staff

## Disclaimer

The University of Portsmouth has checked the information provided in this Course Specification and will endeavour to deliver this course in keeping with this Course Specification. However, changes to the course may sometimes be required arising from annual monitoring, student feedback, and the review and update of modules and courses.

Where this activity leads to significant changes to modules and courses there will be prior consultation with students and others, wherever possible, and the University of Portsmouth will take all reasonable steps to minimise disruption to students.

It is also possible that the University of Portsmouth may not be able to offer a module or course for reasons outside of its control, for example, due to the absence of a member of staff or low student registration numbers. Where this is the case, the University of Portsmouth will endeavour to inform applicants and students as soon as possible, and where appropriate, will facilitate the transfer of affected students to another suitable course.
