- To encourage ongoing critical, evaluative and strategic ways of thinking in all areas and recognize the importance of the industry-education relationship
- To offer opportunities for learning in a variety of work environments (simulated and real)
- To provide links and/or a platform for the eventual professional development of a career in business and management
- To integrate research undertaken by academic staff into teaching

Course Learning Outcomes and Learning, Teaching and Assessment Strategies

The [Quality Assurance Agency for Higher Education \(QAA\)](#) sets out a national framework of qualification levels, and the associated standards of achievement are found in their [Framework for Higher Education Qualifications](#) document.

The Course Learning Outcomes for this course are outlined in the tables below.

A. Knowledge and understanding

(LGA1) Graduates will have knowledge and understanding of business and management. In order to demonstrate this, they will be able to:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
A1 (LGA1 LO1)	Explain the theory and practice of business and management.	Developed in class (lectures, seminars, workshops) and through supported independent study.	Assessed by examination and coursework - individual and group. Assignments include essays, reports, presentations, simulations and portfolios.
A2 (LGA1 LO2)	Critique the theory and practice of business and management.		

B. Cognitive (Intellectual or Thinking) skills

(LGB1) Graduates will have critical thinking skills. In order to demonstrate this they will be able to:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
B1 (LGB1 LO1)	Find appropriate data and synthesize this to produce a critical piece of work.	Developed mainly in discussion-based classes (seminars and workshops) and in independent research for the L6 40-credit project.	Assessed by coursework, culminating in the L6 40-credit project.

C. Practical (Professional or Subject) skills

(LGC1) Graduates will be problem solvers with a creative, entrepreneurial business mindset. In order to demonstrate this they will be able to:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
C1 (LGC1 LO1)	Analyse a realistic problem and develop creative solutions.	Case studies and simulations are used throughout the course to deliver key concepts. Project management is introduced at L4 and developed towards the L6 40-credit project.	Examinations and coursework are based on realistic business problems. Coursework assignments include individual and group assessed projects.
C2 (LGC1 LO2)	Manage a project successfully to a conclusion.		

D. Transferrable (Graduate and Employability) skills

(LGD1) Graduates will be effective communicators. In order to demonstrate this they will be able to:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
D1 (LGD1 LO1)	Work in a team to deliver an effective presentation.	Teamwork, presentation skills and writing skills are developed throughout the course, mostly in seminars.	Assessed by appropriate coursework assignments.
D2 (LGD1 LO2)	Produce a clear, well-written report that addresses the brief given.		

(LGD2) Graduates will be global citizens with an awareness of how issues of ethics, sustainability and responsibility affect professional practice. In order to demonstrate this they will be able to:

LO number	Learning outcome	Learning and Teaching methods	Assessment methods
D3 (LGD2 LO1)	Show understanding of the impact of international issues in a piece of written work or in a realistic problem scenario.	These outcomes are expressly addressed in several modules and embedded in most. We also hope that the University leads by example...	Assessed by examination and coursework.
D4 (LGD2 LO2)	Show understanding of what sustainability issues there are in a given problem scenario and how these might affect how that problem is resolved.		
D5 (LGD2 LO3)	Recognise and resolve ethical issues affecting their professional context.		

Academic Regulations

The current University of Portsmouth [Academic Regulations](#) will apply to this course.

Support for Student Learning

The University of Portsmouth provides a comprehensive range of support services for students throughout their course, details of which are available at the [MyPort](#) student portal.

The Faculty Study Support Team offers help on request to individuals and groups of students at all Levels. Faculty Engagement Officers support students whose attendance is poor.

Course-specific support includes a personal tutor for each student and an annual induction programme for each Level.

Evaluation and Enhancement of Standards and Quality in Learning and Teaching

The University of Portsmouth undertakes comprehensive monitoring, review and evaluation of courses within clearly assigned staff responsibilities. Student feedback is a key feature in these evaluations, as represented in our [Policy for Listening to and Responding to the Student Voice](#) where you can also find further information.
