This course specification provides a summary of the main features of the course, identifies the aims and learning outcomes of the course, the teaching, learning and assessment methods used by teaching staff, and the reference points used to inform the curriculum.

This information is therefore useful to potential students to help them choose the right course of study, to current students on the course and to staff teaching and administering the course.

Further detailed information on the individual modules within the course may be found in the relevant module descriptors and the Course Handbook provided to students on enrolment.

Please refer to the [Course and Module Catalogue](#) for further information on the course structure and modules.

## Educational aims of the course

- To provide a challenging and stimulating study environment.
- To provide a framework allowing students to follow a flexible and coherent programme of study
- To enable students to study a subject area and develop subject specialist interests and knowledge and skills
- To provide students with the skills and knowledge to maximise career and postgraduate study opportunities
- To provide a broad historical knowledge of the illustration specialism and related industries
- To provide a detailed knowledge of the subject of illustration and its contexts
- To develop an understanding of the variety of theoretical and critical approaches to issues in design and culture
- To enable students to develop high levels of skills of critical judgement
- To enable students to develop a command of the practical and technical skills of the subject area of illustration and those presented by the emerging media and technologies and interdisciplinary approaches.
- To enable students to develop a high standard of communication skills.
- To enable students to develop research skills to inform their creative practice.
- To provide students with an understanding of the practitioner’s relationship with audiences, clients and consumers.
- To enable students to consider their responsibilities and positioning as an illustrator with reference to social, cultural, economic and environmental frameworks – using local, national and global perspectives.
- To provide students with the opportunity to develop entrepreneurial skills

D4	Communicate ideas and information in visual, oral and written forms and present work to their audiences.	Lectures, tutorials, seminars, workshops.	Summative: Portfolio – including brief & essay writing, presentation. Formative: tutorials and seminars.

## Academic Regulations

The current University of Portsmouth [Academic Regulations for Collaborative Partners](#) will apply to this course.

## Support for Student Learning

The University of Portsmouth provides a comprehensive range of support services for students throughout their course, details of which are available at the [MyPort](#) student portal.

**In addition to these University support services this course also provides access to:**

- One to one support sessions and group tutorials in creative software and skills relevant to CCI courses and future careers.
- Access to resources to support learning strategies and techniques through one to one tutorials or group workshops.
- Help to find appropriate academic, pastoral or practical support. Specialist equipment and facilities relevant to the course.

## Evaluation and Enhancement of Standards and Quality in Learning and Teaching

The University of Portsmouth undertakes comprehensive monitoring, review and evaluation of courses within clearly assigned staff responsibilities. Student feedback is a key feature in these evaluations, as represented in our [Policy for Listening to and Responding to the Student Voice](#) where you can also find further information.

## Reference Points

The course and outcomes have been developed taking account of:

- [University of Portsmouth Curriculum Framework Specification](#)
- [University of Portsmouth Strategy](#)
- [University of Portsmouth Code of Practice for Work-based and Placement Learning](#)
- [Quality Assurance Agency UK Quality Code for Higher Education](#)
- [Quality Assurance Agency Qualification Characteristic Statements](#)
- [Quality Assurance Agency Subject Benchmark Statement: Art and Design \(A&D\), Media, Film and Cultural Studies \(CMFCS\)](#)
- [Quality Assurance Agency Framework for Higher Education Qualifications](#)
- Requirements of Professional and/or Statutory Regulatory Bodies: **N/A**
- Vocational and professional experience, scholarship and research expertise of the University of Portsmouth's academic members of staff
- National Occupational Standards

## Disclaimer

The University of Portsmouth has checked the information provided in this Course Specification and will endeavour to deliver this course in keeping with this Course Specification. However, changes to the course may sometimes be required arising from annual monitoring, student feedback, and the review and update of modules and courses.

Where this activity leads to significant changes to modules and courses there will be prior consultation with students and others, wherever possible, and the University of Portsmouth will take all reasonable steps to minimise disruption to students.

It is also possible that the University of Portsmouth may not be able to offer a module or course for reasons outside of its control, for example, due to the absence of a member of staff or low student registration numbers. Where this is the case, the University of Portsmouth will endeavour to inform applicants and students as soon as possible, and where appropriate, will facilitate the transfer of affected students to another suitable course.
